- Frequently of the Board Meeting and Academic Advisory Body –
Managing Committee meetings are held twice in a year.

- **Organizational Chart and Processes**

- **Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

The members of faculty and students are actively involved in academic affairs. Various personality development programs for students are organized frequently. The members of faculty are also sponsored to attend short term courses for quality improvement.

- **Mechanism/ Norms and Procedure for democratic/ good Governance**

In order to maintain the accountability, we conduct an internal Audit every Semester at departmental and Inter departmental level. We are applying horizontal system of Administration. For having democratic good governance, in this system there are several functional heads, who are accountable for their jobs responsibilities, and they are fully authorized to take work from their subordinates and colleagues. In case of any indiscipline by a subordinate they can report against him to the institutional head i.e. the Principal.

- **Student Feedback on Institutional Governance/ Faculty performance**

Student feedback on Institutional Governance/Faculty Performance is obtained once in a semester. Students are always welcomed to report their grievances to their concerned HOD's and Principal. from session 2009, Internal Rationalization Committee has been constituted to seek feedback on Institutional level.
